

NEW & INNOVATIVE

Our chefs have been having a great time experimenting in the kitchen. The latest way to use our Pronto Pastry mixes is with iSi® Whippers & Foam Canisters! Together they create a light mousse perfect for filling donuts, pâte à choux, churros, cream puffs and so much more. Tiramisù filled donuts — yes, please!

PRONTO PASTRIES

The PreGel 5-Star Chef Pastry Select™ Pronto Pastries line features instant products that are designed for chefs in need of superior dessert solutions prepared in half the time. From instant pannacotta to molten chocolate cake, the powdered formulas are so revolutionary they are virtually indiscernible from scratch-made desserts.
