# PANNACREMA - PASTRY COMPOUND

## Pâtisserie in a Jar

Develop unique recipes with PreGel's revolutionary line of Five Star Chef Pannacrema Pastry Compounds to consistently create customized flavor combinations with captivating hues for increased appeal to finished desserts.

These top-quality, low-dosage, and highly-concentrated pastes are available in a rich collection of flavors, each boasting an intense taste that is not altered when baked. Five Star Chef Pannacrema Pastry Compounds can be mixed and combined to taste and are great to flavor all pastry products from baked to frozen desserts.

Their exceptional texture makes them perfect to easily incorporate into different types of mixtures, including batter, dough, whipped cream\*, buttercream, ganache, pudding, and any kind of dessert that is the fruit of chefs' inspiration.

*\* All fruit-based PreGel Five Star Chef Pannacrema Pastry Compounds can be directly added to cream, as their acidity level ensures a very natural fruit flavor without affecting the dessert texture.*
